

Requirements Remaining

- Review your [Degree Works](#). List all courses remaining for your degree below, including the quarter you plan to take each course. This information will ensure greater accuracy of your official Degree Evaluation.
- If **uncertain of your exact schedule**, list the type of course you will take and credits required. Examples:
 - 300/400 level classes – 8 credits
 - Capstone – 4-5 credits
- Include outstanding incomplete courses (grades of K).
- Indicate courses that will be taken from a transfer school or through [Western Online](#).
